Address: Daffodil Smart City, Ashulia, Savar, Dhaka

Hello There!

I am Mosaidur Rahman Asif, a passionate Flutter Developer and UI/UX Designer with 1 year of experience in app development and design. Skilled in technologies such as Firebase, Google Maps API, and MySQL, I also have expertise in tools like Figma, Adobe XD, and project management platforms like Jira and Trello.

With a keen interest in creating intuitive applications, I have worked on projects like Uber clones, expense trackers, and job seeker platforms. My goal is to contribute to impactful projects while growing my expertise in app development and design.

My Resume

Flutter Developer Intern

Akij Venture - 3 Months

Worked on Flutter-related projects, including Uber clone, daily expense tracker, and job seeker apps. Gained hands-on experience with Flutter UI designs and functionalities.

Freelance Developer

Various Projects - 1 Year

Developed Flutter projects such as To-Do App, Expense Tracker, E-commerce UI, Job Seeker App, and CPC Club Management App. Focused on UI/UX design and implementation.
